### Township Roads

STCC is asking residents to be mindful of walking on the public streets. Please remember to walk towards the oncoming traffic so you will see the oncoming traffic. If walking before daylight, please have a noticeable reflective garment on.

STCC would like to introduce you to our new Zoning Officer, Larry Hinkle. Larry has joined our staff on September 1, 2021.

Jerry Swope has retired after 16 years of service with our township. STCC wishes him well in his new season of life.

STCC would like to extend our best wishes to Tom Algatt our IT Specialist, who retired on July 27, 2021, after 16 years of dedicated service. Tom did an excellent job keeping the township running safely and smoothly. Enjoy your new endeavors.

The township office and park at 180 Airport Rd. private water source has tested posi-

tive for E. coli. We are working to remediate the problem. The community center at 56 Cliversburg Rd. is unaffected.

### Township Permits

Just a reminder that you must obtain a Land Use Permit before doing any of the following: single residence, home addition, multi-residence, office, commercial, farm, storage/shed, garage, pool, fence, roof, solar panels and, driveway permits. It is always in your best interest to contact our zoning officer before starting a new project.

### Building Update

Our township has been very busy. As of September 1st, we have approved 155 Land Use Permits. Out of that number 59 were for new homes. The remaining 96 were for additions, ag storage, barns, sheds, solar panels, pools, fences, decks, new mobile homes, garages, and patios.

### Park and Rec

STCC had another successful summer camp, with 86 children in attendance. The season was pack full of outings

and activities. Mark your calendar for the 2022 Summer Camp Registration beginning February 1, 2022.
