Board of Supervisors Meetings

2nd Monday of each month at
8 a.m. at the Township Office.

4th Monday of each month at
6 p.m. at the Township Office.

Township

STCC is continuing to grow, with that being said the township has broke ground on a new storage shed that will enable the township to house vehicles and equipment needed to maintain the roads. The expected completion date will be in 2024.

Municipal Election

After 12 years serving as the Magisterial District Judge for District 09-3-01, H. Anthony Adams will finish his term December 31, 2023. STCC would like to thank Mr. Adams for his years of service. The results of the May Primary election have placed Bryan Ruth on the November General election ballot to run as Mr. Adams successor.

Pets in the Park

The township board would like to remind everyone that we allow our citizens to bring their leashed pets to our park with a supervised adult. STCC provides doggie bags for your convenience. Please clean up after your pet. This will

keep our park in a condition that can be enjoyed by everyone.

Mosquitoes

If you are having a problem with mosquitoes contact vector control at (717) 240-6349 or www.ccpa.net/vector.

Spotted Lanternfly

Spotted lanternflies are invasive and can be spread long distances by people who move infested material or items containing egg masses. If allowed to spread in the United States, this pest **could seriously impact the country's grape, orchard, and logging industries.** If you have further concerns contact the Penn State Extension Office at (888) 422-3359 or go to www.ccpa.net.

ISO (Insurance Services Organization)

Good news!! The ISO conducted an evaluation of the fire departments servicing the Shippensburg area. The review collects and evaluates information from communities across the US on their structure fire suppression capabilities. ISO takes the infor-

mation and provides a Public Protection Classification (PPC) grade assigned to the communities. Insurance companies use the PPC grade to calculate insurance costs to homeowners. Vigilant Hose scored a 03/3X, which is better than the 2017 score of 4/8B. This helps keep your homeowner's insurance lower. STCC would like to thank the men and women of Vigilant Hose for all their hard work keeping us safe.

Bulk Trash

Due to construction of the new maintenance building, there **will not** be bulk trash this fall.
