Winter is on its way Autumn is a good time to check the function of smoke alarms and change the batteries. Do not ride through piles of leaves on the road, sometimes children think this is a good place to hide. Disconnect your garden hose from all exterior faucets. Make sure your tires have the proper amount of tread on them and check your air pressure so you will be safe in the snow. Keep an emergency kit in your vehicle such as jumper cables, flashlight, batteries, blanket, small tool kit, tow strap, shovel, bottled water, and protein bars. Utilize caution when driving in wintery conditions. Slow your speed, and increase your following distance. Allow plow trucks to clear the roads and do not run errands during a storm. Do not leave unattended vehicles running to warm up. This increases the potential for car theft. Keep your license and registration updated.

Basketball hoops interfere with snow removal. NO PART OF A PORTABLE BASKETBALL HOOP SHALL EXTEND ONTO OR OVER THE MACADAM OF ANY ROAD SURFACE.
