Winter has arrived and it is time to make sure you have your vehicles supplied with emergency items in the event you break down in the snow, such as a blanket, flashlight, water, and power bars.

Shoveling Snow

When shoveling snow near the road, attempt to shovel as much snow as possible in the direction of travel. The snowplow truck moves snow in the direction of travel and may plow snow back into your driveway if snow is shoveled against the direction of travel.

NEVER SHOVEL SNOW INTO THE ROADWAY.

Maintenance Building STCC is happy to announce that the new maintenance building is complete.

CVAS Southampton Township has long been supportive of the Cumberland Valley Animal Shelter. As such, residents can drop off stray pets that need a home. Before dropping a stray animal please call the shelter at 717-263-5791, and they will talk to you about dropping the animal off. Inform them that you live in Southampton Township Cumberland County and bring your photo ID with you. Over the past year, residents of Southampton dropped off 1 rabbit, 2 guinea pigs, 12 dogs, and **47** cats. PLEASE spay or neuter your pets.

Road Upkeep STCC has purchased a new dump truck to replace the 2014 Mack, also there will not be any road paving done this year. The township is saving money to do bridge repairs in 2026.

Compost Facility STCC has partnered with Shippensburg Borough in support of their Compost Facility. STCC residents may register at the borough office to dispose of leaves, shrubbery clippings, brush, garden, and yard waste. There will be a fee for the disposal of waste. And residents may also purchase compost. The compost facility is located at 963 Avon Drive, Shippensburg PA 17257. For more information, <https://borough.shippensburg.pa.us/Services/Compost>

Retirement Thank you, to Dan Diehl, for his dedication to the township in his role as the township code enforcement officer for the last three years. Dan has done an exceptional job, and we wish him well in his retirement.
