Winter has arrived. Does your vehicle have the necessary emergency items in case you break down? Be sure to keep essentials such as a blanket, flashlight, water, and power bars in your vehicle.

Shoveling Snow - When shoveling snow near the road, attempt to shovel as much snow as possible in the direction of travel. The snowplow truck moves snow in the direction of travel and may plow snow back into your driveway if snow is shoveled against the direction of travel. **NEVER SHOVEL SNOW INTO THE ROADWAY.**

Township Updates – The new pavilion at our park, located off Baltimore Road, has a contractual completion date of March 31, 2026.

STCC has submitted a grant application, and if approved, the funds will be used to acquire new playground equipment for the new park.

Share Your Ideas for Our America 250 Time Capsule

As part of the America 250 celebration, a time capsule will be sealed at our new park on Baltimore Road and opened during the county's 300th anniversary in 2076. We invite residents to consider what aspects of our town should be represented in 2026. The Board of Supervisors will make the final selection of items for inclusion. Please submit your ideas to **coordinator@southhamptonwp.com** no later than **April 30, 2026**. We look forward to your participation.

Spring Bulk Trash Days STCC will have our Spring bulk trash on March 26th and 27th from 7:00 am to 2:45 pm, and Saturday, March 28th from 7:00 am to 11:30 am. Photo ID with your current address is required. Bring your items to the township building. When you pull into the township property, follow the directional signs. **Bulk Trash is Limited to 3 pickup, car, or residential trailer loads. Items that will not be accepted are:** * Hazardous Materials (paints, thinners, oils, antifreeze, chemicals) * Concrete Products, Vegetation, Shingles, Railroad Ties, Animal Waste * Tires, Fluorescent Lights * Items Containing Mercury/Lead * Batteries, Barrels/Tanks, Asbestos* TVs, PC's or Electronics.
